Service

Contact Mikey Nehring | 262.835.1223

The service team at Accu-Trailer is a proud resource for long-standing clients, providing comprehensive service wherever we are needed. Our facility boasts six drive-through bays and an extensive storage lot to manage all vehicles brought to us. We also have fully-equipped mobile service vehicles to assist clients that need our help while on the road.

Our company is at your service with more than 100 years of combined expertise in the repair, inspection and maintenance of tractors and trailers including:

- Brake Repair and Replacement
- DOT Inspection
- Floor Repair and Replacement
- Frame and Body Work
- Onsite Fleet Maintenance
- Oil Changes
- Roof Repair and Replacement
- Welding Service

Parts

Contact Kevin Helley | 262.835.2804

Accu-Trailer's dedicated parts team can provide consultation for appropriate part ordering on any trailer make or model. We are a proud licensed dealer of Vanguard and Stoughton parts.

Our vast inventory of trailer parts can be picked up or delivered right to your door at no extra charge:
